**Subject: Response to Basic Eligibility and Completeness Review for the Temperance Flat Reservoir Project**

Dear Mr. Yun,

In response to your letter dated August 31, 2017, the San Joaquin Valley Water Infrastructure Authority is providing the following requested information to meet the Basic Eligibility and Completeness, pursuant to California Code of Regulations, title 23, section 6006, Water Storage Investment Program regulations for the Temperance Flat Reservoir Project:

- ***Notice of a Joint Powers Agreement***
  - Per section 6006(c)(1)(A)1, proof of legal existence of the San Joaquin Valley Water Infrastructure Authority
- ***Benefit Calculation, Monetization and Resiliency, Attachment 3: Monetized Benefits Analysis***
  - Benefit and cost analysis per section 7 of the Technical Reference
  - Physical and Economic Benefits Summary Tables per section 6003(a)(1)N)
- ***Benefit Calculation, Monetization and Resiliency, Attachment 10: Cost Allocation***
  - Cost allocation per section 8 of the Technical Reference
- ***Feasibility and Implementation Risk, Attachment 1: Feasibility Documentation***
  - Feasibility study components, specifically technical, environmental, economic, and financial feasibility as specified in section 6003(a)(1)(O) of the regulations

These documents are also summarized in the enclosed ***Eligibility and General Project Information, Attachment 1: Executive Summary***.

The requested model files were provided separately on hard disk, and delivered directly to the California Water Commission.

Through submittal of this requested information, we understand that our application is now complete as defined by section 6006 of the regulations, and will advance to the technical review pursuant to section 6007. Please contact me if you have additional questions regarding our application.

Sincerely,
